TRAVEL IN ROTTERDAM

BIG CITY ON A SMALL SCALE

Rotterdam has a compact and easily accessible city centre. Downtown Rotterdam offers a wide variety of flexible conference centres, hotels and social venues that are all close by, mostly within walking distance.

The suggested venues for the EU Robotics Forum have sufficient hotels in the vicinity, mostly within walking distance. This allows your delegates to easily go back and forth during the conference.

There is no need for the organisation to provide transfers as the city offers a efficient and safe public transport system. There are two metro lines and all suggested hotels are positioned near a station, allowing delegates to travel to the venue easy and fast.

Rotterdam Partners Convention Bureau can provide you with discounted local transportation passes (Rotterdam Welcome Card).
